* To indicate the product colour(s) required, the following code suffixes should be used: BL - Black, BR - Brown, W – White, LO - Light Oak. For Light Oak please call for price.

Krown is the latest addition to the Kalsi Plastics Rainwater Systems family with a distinctive shaped and stepped gutter profile. A versatile, high capacity system, it is ideal for all modern, period and architecturally-styled properties. Simple to install, it has convenient fixing wings for secure fastening to fascias. The system can be used with a choice of downpipes.
